Thanks!

As we approach Easter, I am reminded of the powerful message that Jesus Christ is alive, risen not just for certain people, but for all who would trust in him. His grace is sufficient for you and me, and for all those we serve. And when we see God's grace at work in the lives of our residents and families in powerful ways, we are reminded of those who never cease praying for them. Thank you for your partnership in this important ministry!
