**Thanks!**

December is a time in which we often look to the past. We remember the traditions of our families; the sights, sounds, and smells that remind us of years that have passed. And of course we also remember the gift of Jesus during the Christmas Season. As we remember the past however, let's also be encouraged to look to the future with expectation and excitement. God has done great things through Eagle Village, and I believe that God has even more in store for the future of Eagle Village.
