Thanks!

During this, Eagle Village's fiftieth year of ministry, we have much to be thankful for. We are thankful for God's provision, for the beautiful property we have, and the fine buildings and resources that support our work. But most importantly, we are thankful for the men and women that God has brought together to continue the work He began here so many years ago. Thank you for praying daily for Eagle Village and the people who serve here! May God be glorified in all we say and do.
