HELPING CREATE THE HEART AND SOUL OF FAMILY

We believe all children are meant to be raised in a home, with loving parents. While some kids are blessed to receive that gift from birth, others need help finding it. We can help.

Since 1968 Eagle Village has been changing the lives of youth and families in Michigan. Set in rural Hersey, Michigan, this peaceful 681-acre wooded campus has become a hub for the specialized services these families need such as residential care, intervention programs, foster care, and adoption.

EAGLE VILLAGE FOSTER CARE & ADOPTION SERVICES

In Michigan, kids in foster care range from newborn to 17. These children and teens are not in foster care for anything they have done – they have been removed from unsafe situations, surrendered by their parents, or have been orphaned by deaths in the family.

Eagle Village Foster Care Families receive the following support:
(Foster care only, not adoption)

- Orientation and extensive ongoing training
- Licensing and reviews
- Trauma training with foster parents by trauma-informed professionals
- Help setting up respite care

FOSTER CARE

Eagle Village Foster Care works to find stable, temporary homes for children while their parents put the pieces of their lives back together.

The Eagle Village Foster Care Team works hard to match foster children with the right family. Families can specify ages they are willing to accept, and will always have the full support of our team.

We sponsor events for foster care families throughout the year to help build a community and support group for everyone involved. All Eagle Village foster families are required to participate in ongoing training which is conveniently offered online.

ADOPTION

The Eagle Village Adoption Program works to find loving, permanent homes for children who will never be able to return to their biological families.

Regardless of age, gender, or ethnicity, every child deserves a place to call home. Adoption is the beautiful beginning of a new family. Even if you don't own your own home, you can still change the life of a child by providing a safe, stable and loving environment.

The Eagle Village Adoption Program will walk you through every step of the process. We are here to answer questions, assist with paperwork and licensing, and even offer essential post-adoption support services.
