For Our Kids**

The Eagle Fund helps give our youth opportunities to help them soar to their potential.

Our kids matter. That's why we established the Eagle Fund - a way you can help us provide for them above and beyond the state's expectations.

The Eagle Fund shows our kids they're worth investing in, and it provides the highest quality of services to our children and families.

At Eagle Village, we believe in the potential of all people regardless of their story.

1 OFFERING A SPIRITUAL FOUNDATION

Exposure to the spiritual community can provide a source of connection and comfort no matter where our kids go when they leave us. We provide our kids with optional weekly on-campus chapel services and the chance to attend a local church on Sundays if they so choose.

The Eagle Fund Covers:

- A Bible as a welcome gift for every child
- Campus Pastor and on-site worship

2 INVOLVING THE FAMILY

We believe involving the whole family is crucial to our kids' treatment and success. So, when appropriate, we bring our kids' families here for Legacy Weekends. These special events give the whole family access to therapy and training.

The Eagle Fund Covers:

- A room in our on-campus motel
- Family meals for the weekend
- Therapeutic intervention and family support
- Guided family activities

3 TEACHING SKILLS AND TRADES

47,000 skilled trade jobs are open in Michigan every year—we're preparing our kids to fill them. With our newly-built Elenbaas Career and Trades Center, we give our teens the opportunity to train and be certified in a variety of skills, including culinary arts, welding, information technology, and more.

The Eagle Fund Covers:

- Equipment for learning skills
- Certification and testing fees
- Hands-on job experience on campus

4 MAKING OUR CAMPUS A HOME

Many of our kids have never felt the safety, familiarity, and comforts of home before coming to our campus. We want to provide that for them. When our kids feel "at home" they can start to truly focus on the work they are here to accomplish. We want to teach our kids a standard of living.

The Eagle Fund Covers:

- Keep our campus up-to-date
- Ensuring each house is welcoming and comfortable

5 PREVENTION AND INTERVENTION

Giving Michigan's children the opportunity to receive scholarships for our prevention and intervention services which can decrease the chances of long-term behavioral issues.

The Eagle Fund Covers Scholarships For:

- Base Camp: 5-day camp for 9- to 11-year-olds
- Frontier Camp: 5-day rustic camp for 11- to 14-year olds
- Project Survive: 9-day wilderness camp for 14- to 17-year olds
- Youth Challenge: Weekend event for teens
- Family Interventions: Half- or full-day experiences customized around an individual family's needs

6 TRANSPORTING OUR KIDS

We covered 180,743 miles in 2022! That's equivalent to driving from Maine to Washington 58 times! Transporting our kids, no matter how far, is an important part of showing we care,

The Eagle Fund Covers:
