

Eagle Village Prayer Calendar

September 16 - 22, 2024

Created by Mark Holcomb | Director of Spiritual Life and Staff Care, Eagle Village

This week we are ramping up for the new. We have a new class of employees that will start their orientation this week. We are also hiring and training new staff for our Independent Living Plus and Day Treatment programs. This is also a new quarter for our residential youth in school, starting after a week at Quest. We will be praying for all things new happening around the village this fall.

Monday, September 16, 2024	Tuesday, September 17, 2024
<p>Today we begin our New Employee Orientation with new staff joining our organization. Pray for them today, and over the next two weeks, that God confirm their calling to participate with us in this important work we do.</p> <p>Would you also pray for our students as they begin a new quarter in school.</p>	<p>Pray for our Foster Care Team as they gather for their weekly meeting, discussing the ways God is working in and through our foster care families, and review what is ahead this next week.</p>
Wednesday, September 18, 2024	Thursday, September 19, 2024
<p>We begin a new series in chapel called, Out of Chaos. Today we'll be sharing with our community that what God created didn't begin with brokenness, pain, and death, but what God created he said was good. Everything was good. I wonder if we believe that. We know something happened, and we'll get to that, but today we start at the good beginning. Pray for us today that our eyes are open to how good creation is, providing a clue to just how good the creator is, too.</p>	<p>It has been an especially heavy week for our forensic interview team at our Child Advocacy Center. It's taxing, heavy work that they do tirelessly. Would you pray for them, that God enable them to remain healthy as kids share their stories.</p> <p>Also, for our new residential staff, part of their orientation is beginning their observation hours in houses. Pray for them as they join our direct care team for the first time.</p>
Friday, September 20, 2024	Weekend, September 14 & 15, 2024
<p>Our admissions team works tirelessly in their search for youth that we believe is the right fit for us, and us for them. Would you pray for Chad and Dani today as they work with the residential placement unit, helping youth find the right placement for them so they can receive the help they need.</p>	<p>I'm always drawn to our foster families on weekends. While for many weekends are about breaks and rest, weekends for them can be long and difficult. Would you pray for them as you think of them throughout the weekend while we rest, that God provide them with the strength and energy they need to parent well.</p>
