

The Eagle Fund helps give our youth opportunities to soar to their potential.

Eagle Village children matter. We created the Eagle Fund to provide a way for your gift to directly impact the youth we work with. It shows them they are worth investing in and that their lives and futures are important. We are able to go above and beyond licensing expectations with your thoughtful support.

FIRST OPPORTUNITIES

THE EAGLE FUND MAKES POSSIBLE:

- Eagles Pride is our version of a prom. We purchase special clothing for all of our youth for these events to create a memory. We take single and group photos as most of our youth do not have photos of themselves growing up. These events stand out with time for photos, a reception, games, and then an etiquette dinner with a five-course meal.
- Transportation and admission to the zoo, baseball games, seeing Lake Michigan for the first time, riding a bicycle, ice skating; we try to give our youth what children typically experience growing up.

BUILDING HOPE TOWARDS A NEW WAY OF LIFE

"EVERYONE, and I mean EVERYONE, at Eagle Village has given me nothing but encouragement and a chance to have a future."

- Dustin, Independent Living Plus Program

The strength of this organization is in 57-years of believing in the potential of all people regardless of their story. We want children to discover their potential and realize they have value, talent and can create a future with hope. It takes a Village to make that happen and it is vital for Eagle Village to partner with people who believe and invest in our mission.

"You should never stop trying and I've seen that here, you all don't stop trying."

- Abby, Residential Program

Eight programs offer a continuum of care that are designed to guide children and families toward solutions. We value each life that comes to us, treat each child as an individual, offer hope and path to a new future. The ripples of feeling safe, valued, cared for and being cheered on, plants seeds in every life that has a lasting impact.

"Eagle Village really wants to see us succeed as a family, that is something I will always appreciate and keep close to my heart."

- Phoebe, Foster Care Program

Please know that you and your gifts matter here. Your financial gift this year will support our continued work of equipping youth and families for success. We are blessed and grateful for the impact we collectively have on each life that comes to our Village.
